

I was very happy to accept The Invitation To Judge The Yorkshire Terrier Club Show in Terni Italy June 2017.

The weather was very warm 35/38 degrees, a bit to hot for me, but Dogs and their owners stayed cool in the shade under trees.

I was pleasantly surprised how well The Yorkshire Terriers moved around the Ring in the heat.

Much better than Terriers with longer legs,who did not like the hot ground at all.

A big Thank you to The Exhibitors who entered their dogs for my Judgment and The Committee for The Invite.

All The exhibits were Beautifully presented and in lovely condition.

My Best of Breed came from The World Famous Kennels QOCLES, and I am pleased to say finished the day winning the Group 3 and Res.Best in Show.

I found out later That my Male winner became Italian Champion on the day.

Thanks to everyone for being so nice in accepting my decisions with the Placements.

I wish The Club and Members continued success for the Future.
