

Judge report: Goran Gladic

On the first I want to say: Thank you very much on great kindness of exhibitors on Sunday show in Florence. Also I want to thanks to my ring team and beautiful president Mrs.Sonia Pagani and president of Fiorentina Mrs.Serena Donnini as many others friends who make my day.

I noticed that show ring was being very nice decorated with cups, rosettes and other prizes as of course with sponsor of famous brand Royal Canin.

Small laboratory for color test was being nice surprise for me and enough to say how much Italian Yorkie Club hold on high level.

In Catalog we are had 24 Yorkies and I must to say that only one of them was be pet. It means that I've seen beautiful 23 Yorkies of really kindly and wonderful people.

I am enjoyed in judging and in any of moments it's not been so easy to give right decision.

In excellent concurrence at Open class I choice Blue Teodoro's Teo and as the best male too. I remember him as soundly in anatomy with right iron blue color and nice expression head with excellent movement and well presentation. Qoccle's Never Give Up was being morality winner. He was superb in every looking and rest the higher expression on me.

Only one thing which is not so good on him is darkish color shade. In junior class my choice was beautiful Rigair Warm Up. He is very perspective youngster and I am sure in his brightly showing career in future. I liked in baby class Hunderwood Hot Million. As his name said to us, I am sure in his future. In every looking very promising little boy!

By females I saw in champion class really wonderful Yorkie as Alemat's Alice Nel Paese delle Meraviglie. She is excellent mover, well sized, correct in type, with excellent expression and high quality iron blue colored coat, well present and she also very easy catch me with her attributes and I gave to her BOB. It is very important and I must to say that I saw in Open class also beautiful female as Priscilla Dei Fiocchi Rossi. She is also in quality on high level and absolutely correct in many important points.

All at all I must to say that oldie English type of Yorkie is loosed in total and we are witness today of one new stronger and more elegant type of Yorkie. I noticed few with larger eyes and these Yorkies always had bad expression. Also one noticed is darkish color on many Yorkies too. On lucky side I had in show ring really nice and quality few with right iron blue color and just suggest to Italian Yorkie Club that they take attention on future progeny in this looking. I think that you have enough quality Yorkies to make a better future with them.

On the end of my judging report I wish to send my warm and friendly greetings to all exhibitors from Sunday Florence Show and I am sure that we will meet again for better progress of your Yorkies.

Sincerely
Your

Goran Gladic
